

pride in **excellence**

vision

To offer an exceptional educational environment that is conducive to development of compassionate, ethical global citizens, ready and well armed to achieve their fullest in education, work and life.

mission

To prepare students for a dynamic, fast changing, tech-savvy world. To give them the necessary pedagogy, and instill in them a passion for lifelong learning and a spirit of enquiry that sharpens their practical senses and intellectual prowess.

motto

ज्ञानं परमं ध्येयम्

knowledge is the supreme goal

Lakshaya International School is a new age co-educational school, an Educational Initiative of "Agrawal Group of Companies" engaged in Real Estate, Entertainment (City Gold Multiplexes), Health Care (Medilink Hospital). The group has a rich lineage of 35 years and has evolved in cultural and social responsibilities as a trustee of Rajasthan Hospital and Maharaja Agrasen Vidhyalaya and " Lakshaya " is

the major thrust area through which it aims at making a positive and real contribution to the society.

Spread over 3 acres of land the school has, etched a name for itself not only as an abode of learning but, as a centre of wisdom. At Lakshaya, we believe that it is vital to nourish the intelligences of each child so that they can lead a happy fulfilling life.

The foundation of learning at " Lakshaya " are in its unique holistic approach and integrating the best hi-tech education with relevant value systems to become an ideal centre of learning.

curriculum focus

"A well formed mind is better than just a well filled one"

The program at " Lakshaya " is integrated from the best of International and Contemporary Practices.

The curriculum focuses on igniting curiosity and nurturing the desire to inquire, inculcate, and develop the craft of logical reasoning, in the process, helping children retain for the rest of their lives, their innate and congenital thrust for knowledge.

beyond text book

Classroom teaching though important, at " Lakshaya " we support a kaleidoscope of extracurricular activities, community involvement programs and co-curricular events that support holistic development of the children.

the counselling centre

The counselling cell at " Lakshaya ", shall guide both students and parents to cope with academic and psychological pressures. Experts shall help children to deal with behavior and adolescence issues, choosing a career, instilling a positive attitude, and most importantly believing, in themselves shall be the main aim of the counselling centre.

developmental pentagon

A Holistic and Progressive Curriculum, that brings out the best from the Indian as well as the International Practices.

A Continuous Comprehensive Assessment to motivate children to aim higher.

Students are educated to learn, think and to make decisions independently.

Teachers are respected not only for their authority but also for their abilities to facilitate learning.

At " Lakshaya ", we view the parent as an invaluable ally. Together we shall build on the philosophy and vision of the school.
